-VOLUME 16 NO. 168, THURSDAY, AUGUST 24, 2000-

Attorney Bob Ford, who represents the Wallisville Road Homeowners Association made a short presentation to the Liberty City Council Tuesday night, making it clear that group's organized opposition to Lonnie Shivers' proposed Clayton Bayou Subdivision has ended. Council approved a preliminary plat two weeks ago, but the controversy could re-ignite if anyone seeks a permit to put a manufactured home on one of Shivers' home sites. Last spring, council expanded the protected zone, where such homes are prohibited, to include Shivers' property.

Alex Campbell, Vice-President of Aspect Drilling Company said gas is no longer escaping from a blown natural gas well southeast of Anahuac, but the well is not yet capped. Crews are expected to complete that task today so that 130 families evacuated from their homes in that area can return. Equipment safeguards on the well failed when Aspect drilling crews hit a natural gas pocket at 10,000 feet Saturday night. No injuries or property damage have been reported.

Liberty County Sheriff's Captain Leroy Hanel is warning East Gate area residents to be alert after burglars forced their way into four separate homes there Tuesday, stealing between \$12,000 and \$15,000 in property. Two vehicles are believed involved in those burglaries. One is a late model teal green Dodge Extended Cab Pickup and the other is a dark late model Chevy Suburban with a loud exhaust. Anyone with information on the vehicles or any other suspicious activity seen in that area is asked to call the Sheriff's Department at 936-336-4500.

The Liberty-Dayton Area Chamber of Commerce will hold a ribbon cutting tomorrow at 10 a.m. at the Bob Bomer Automotive dealerships in Liberty. The public is invited for refreshments and to register for a chance to win free use of either a Pontiac Grand Am or Chevy Silverado for one year.
