-VOLUME 16, NO. 23, TUESDAY, FEBRUARY 01, 2000-

James Lloyd Henson, 29, of Cleveland has been charged with murder in connection with the January 15th shooting death of his ex-wife, Charlotte Lynn Allday, also 29. Liberty County Sheriff's Captain Leroy Hanel said Charlotte Allday had been found dead on the kitchen floor of her home on Gladstell Road. James Henson had claimed the shooting was accidental and had occurred as he was pulling a .38 caliber revolver from under a mattress. The Sheriff's Office is not releasing all the details of the investigation, but Captain Hanel said autopsy results helped refute Henson's claim and he was arrested last Friday. James Henson was released on Saturday after posting a \$50,000 bond.

According to Texas Ranger Frank Huff, a task force made up of local, state and federal investigators has been unable to establish the identity of a murder victim, whose decomposed body was found in a ditch outside Dayton on December 6th. The man is described as a white male, 24 to 28 years old with a stocky, powerful build, who was 5' 8" and weighed about 250 pounds at the time of his death. Investigators urge anyone with any information which might lead to the murdered man's identification, to contact the task force. Investigators can be reached, 24 hours a day, through the Liberty County Sheriff's Office at 336-4500 or write P.O. Box 1964, Liberty, Tx., 77575.

The Drug Abuse Resistance Education Program will soon be taught to seniors at Anahuac High School. District Attorney Mike Little said it marks the first time in the history of the program in Liberty and Chambers Counties that senior class students will participate. Anahuac seniors will receive 10 days of DARE instruction as part of the school's health curriculum.

According to DPS Sergeant Greg Arthur, there was one fatal rural motor vehicle accident, in which one person was killed during the month of December in Liberty County and DPS Troopers investigated a total of 57 rural accidents, in which 43 people were injured. Also, information from the DPS confirms that Sunday's one vehicle accident on Hwy 146 which claimed the life of Gene Austin Brown, 35, of Dayton was the first fatal accident investigated by the DPS this year.
